Sir,

Sub: Building Construction of temporary cattle shed Combined Sheep and Cattle Farm, Kurukuppi Estimate

The Superintendent, Combined Sheep and Cattle Farm, Kurukuppi reports that there is acute necessity for providing additional accommodation for cattle. The existing stock is about 400. There is proper accommodation only for about 80 adult cattle and a few calves at present. The Superintendent, has therefore submitted estimate for the construction of 2 Temporary cattle sheds at a cost of Rs.2800/- each. The proposed temporary shed can accommodate 22 milch cattle in each. There are at present 60 milch cattle. So at least 2 sheds of the type are considered iminent.

2. The estimate was prepared by the Executive Engineer, Bellary and hence the centage charges of Rs.28/- also have to be paid.

I therefore, request that sanction may kindly be accorded to construct two temporary cattle sheds at a cost of Rs.5630/-.

The expenditure will be met from the sanctioned provisions for 52-53.

Yours faithfully,

for Director of Animal Husbandry,

..

It was reported in my letter Roc.No.3746-IV/52 dated 23-1-53, that there is accommodation for about 80 adult cattle and a few calves at present.

2. The sanction for the construction of existing permanent sheds was accorded in G.O.Ms.No.2168 Development, dated 21-4-49. The 3 temporary sheds constructed in persuance of this G.O were collapsed due to heavy cyclone and the consequential loss were written off. The 4 permanent cattle sheds, one small dairy and 4 sheep sheds were constructed by the PublicWorks Department. These cattle sheds could accommodate only about a dozen calves, and to milk a dozen cows.

3. The present stock of Hallikar cattle is about 400, and more than half the stock are at present subject to very bad housing.

4. I therefore request that sanction may kindly be accorded to construct 2 temporary cattle sheds at a cost of Rs.5630/-.

5. The expenditure is debitable under "41.Veterinary & Breeding Operation - H. Post War Reconstruction III. District Farm - Other charges - Petty construction and repairs".
